3MA's 3rd Annual Sippi Cup Event 2025

3MA would like to thank all of our sponsors, competitors and attendees for joining us for our 3rd Annual Sippi Cup Event! This year's attendance was the biggest we've seen so far!

Check out our website and Socials for more photos of the event. See you all next year!

Planting the Seeds of Understanding - May Event + Digital Campaign Launch

May marks the launch of the *Planting the Seeds of Understanding* Digital Campaign - where each week on 3MA's Social Media pages, we will be highlighting different toolkit materials designed to educate different industry participants on Mississippi's Medical Cannabis Program. In collaboration with the **MS Department of Health** and the **National Center for Research and Education at the University of Mississippi**, these informational materials contained tailored information for patients, certifying practitioners, Industry stakeholders and vulnerable populations of our state. These materials have been approved by the MMCP and are available on our **website** for download.

In addition to the Digital Campaign - On Friday, May 30th, we will also be hosting the third in our series of public events for *Planting the Seeds of Understanding* in Yazoo City, MS. Please join us as we discuss the different aspects of the Medical Cannabis Program with experts, academics and industry professionals.
