

MS Medical Cannabis Equivalency Unit

What is a “Unit”?

The Mississippi Medical Cannabis Program tracks patient purchase allotments through a Unit-Based system. Unless otherwise restricted by their certifying practitioner, patients are allotted 24 Mississippi **Medical Cannabis Equivalency Units (MMCEU)**, otherwise known as “**Units**”, on a 30-day rolling schedule.

Cannabis Flower

1 MMCEU = 3.5 g (1/8th) of Cannabis Flower

Concentrate

1 MMCEU = 1000 mg total THC in Concentrates

Edible Cannabis

1 MMCEU = 1000 mg total THC in Edible Form
